Monthly Report of the Committee on Committees for March 2015

This report details the activities of the Committee on Committees since February 2015. The Committee on Committees released nominating petitions for the Spring 2015 Senate Election for 13 members-at-large, one adjunct member-at-large and one CLT member-at-large. It also released petitions to instructional staff to request appointments to serve on standing committees of the Academic Senate.

Since December 2014, the chair of the Committee on Committees sent a series of emails to remind Senate members-at-large whose terms are expiring in April 2015, Department Chairs, and faculty that thirteen seats in the Academic Senate would be up for election this semester. Similarly the chair of the Committee on Committees sent emails to instructional staff, urging them to volunteer for service on standing committees of the Academic Senate. Department Chairs, and Senate standing committee chairs also received emails asking them to remind instructional staff to volunteer to serve on Senate standing committees.

Nominating Petitions for the spring 2015 Senate Elections

The deadline to submit nominating petitions was noon on Thursday, February 20th. Ballots for the Senate Elections were distributed on March 3, 2015. On March 17th, the results were ready for review. The results were reviewed with the Senate technology officer and shared with the members of the Committee on Committees. Eighteen candidates ran for seats in the Senate. Here are the vote counts and the winners of the fourteen members-at-large seats. Of the 346 faculty eligible to vote, 239 (69.08%) Thirteen candidates who earned the most votes will take seats in the Academic Senate.

For the Adjunct-member-at-large only one candidate petitioned and was elected. There were two candidates for the CLT-at-large member. One was elected and the other will serve as an alternate.

Petitions to Select Assignments on Standing Committees

The Committee on Committees reviewed petitions from instructional staff, and prepared and approved the ballot shown in Appendix A. This ballot will be submitted approval at the April Academic Senate meeting.

On March 17th the Committee on Committees met to assign placements on standing committees. No one has been assigned to more than one committee and no department has more than one representative on a committee. The Committee on Committees will issue a call to instructional staff to volunteer as alternates to the standing committee. These volunteers would fill committee vacancies as they arise during the 2015-2016 academic year.
