

**STEERING COMMITTEE OF THE ACADEMIC SENATE  
QUEENSBOROUGH COMMUNITY COLLEGE, CUNY  
MONTHLY REPORT  
May 9, 2017**

The Steering Committee would like to welcome all the new Senators beginning their three year terms.

All positions in the QCC Academic Senate and its committees are currently filled.

This afternoon, Professor Christine Mooney of the Business Department and chair of the Committee on Committees will be conducting elections for next year's Steering Committee that has a one year term, and for next year's Committee on Committees that consists of staggered three year terms.

The Steering Committee today will be presenting a resolution to upgrade the Subcommittee on Food Insecurity to a full time standing committee of the Academic Senate to be listed in the Senate bylaws. This resolution has been vetted and unanimously approved by the Bylaws Committee.

The Steering Committee in close collaboration with the Faculty Executive Committee and the QCC PSC Executive Committee is also presenting a resolution to the full Senate in regard to water testing on the QCC campus.
