

Resolution to Delete the Committee on Ceremonial Occasions from the list of Standing Committees of the Academic Senate.

Whereas, the Committee on Ceremonial Occasions for years had no ceremonies to involve itself with; and

Whereas, the Committee on Ceremonial Occasions voted to dissolve itself at its November 27, 2018 meeting; and

Whereas, the Steering Committee sent the charges for the Committee on Ceremonial Occasions to the Committee on the Environment, Quality of Life and Disability Issues for consideration as to whether that body should take up those charges; and

Whereas, the Committee on the Environment, Quality of Life and Disability Issues voted not to accept the charges for the Committee on Ceremonial Occasions, therefore

Be it resolved that the Senate should delete the Committee on Ceremonial Occasions from the list of Standing Committees of the Academic Senate, effective immediately.
