Resolution to Temporarily Adopt Current PNET Student Evaluation of Faculty Form
Pending Creation of New Form

WHEREAS, Spring semester 2020 began with a small percentage of QCC courses taught online;

and WHEREAS, nearly 100% of QCC courses in Fall 2020 are now taught online;

and WHEREAS, the attached PNET Student Evaluation of Faculty Form was in use in Spring 2020 for students to evaluate faculty before virtually all courses at QCC moved online;

and WHEREAS, the attached PNET Student Evaluation of Faculty Form is a modification of the Student Evaluation of Faculty Form for FNET courses, which has been approved by the Senate;

and WHEREAS, some questions in the current PNET Student Evaluation of Faculty Form do not wholly reflect the current reality of many faculty teaching as PNET courses formerly FNET courses for the first time;

and WHEREAS, the Academic Development/Elective Academic Programs Committee is in the process of surveying QCC students for creation of a new PNET Student Evaluation of Faculty Form, created entirely for evaluating faculty teaching online courses;

THEREFORE, BE IT RESOLVED THAT the attached PNET Student Evaluation of Faculty Form, with N/A offered as response options, be approved by the Senate for temporary use, for Fall 2020 and Spring 2021 semesters, in student evaluation of faculty teaching online courses, pending Senate approval of a new form.
